

**[DEMO] ROSE | 37.99 00 01 ENCLOSURE MOUNTING SET**

**\$14.80**

**Enclosure Mounting Kit for Stainless Steel Watertight Wall Box Enclosures.**

The Rose enclosure mounting kit consists of a set of screws, washers, gaskets, and nuts for fixing, IP66, stainless steel watertight wall box enclosures.

The range of Wall Boxes enclosures, the fixing set is suitable for, are part of the Hygienic series.

These series are especially suited for environments where not only hygiene is an important plus, suitable for aggressive environments. The fixing mounting set is excellent for this type of enclosure ensuring a safe and secure mounting.
